"PRAISE AND ADORATION"

-John Seldow

Psalm 100:2 Serve the Lord with gladness! Come into his presence with singing! Psalm 150:6 Let everything that has breath praise the Lord! Praise the Lord! Hebrews 13:15 Through him then let us continually offer up a sacrifice of praise to God, that is, the fruit of lips that acknowledge his name. Colossians 3:16 Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God.

Hosanna…..Hosanna….Hosanna…..Hosanna in the Highest …..”.” As the Dear Pants for the water ,so my soul longs after you…”.:”How Great Thou Art….”Then Sing my soul My savior God to Thee……”Ahihlouhleh ,

“A Tungnung A Tung ….Tungnung peeen lal-loupii”….chia lasa leh leengkhawm in duur tah in jong hun bang kristmas bang na zang kha tahi..

I was just a normal teenager wishing myself that I could slay the guitar like the neighborhood kid who strums a melodious “Sweet Child O Mine”. Back then , we never heard about Petra or Hill Song. It was the Kalvary music with old drum with the Church leading in singspiration. Singing and bonding over the bonfire during Christmas Season was the best I could ever enjoyed .

The Church praise and worship team with Old Drum (Khuangpi) and a few old congregation members making up of old men and woman filled the inspiration team of the Church. Not to negate the efforts they put to sustain the Church

Food for Thought:

Let everything that has breath praise the Lord.

Praise the Lord.

though. It was devoid of the energetic and vibrancy that we see today. The Kalvary dance with old hymns seems archaic to younger generations. The hymnals and Choruses are sweet and touching to the Heart as it has been since the great Revival of the 50s.Our take on music seems to vary like Heaven and Earth as if they are two different matter.

I appreciate the old generation for instilling and building in us the Love for The Gracious God ,as to worship and praise Him .They may looked ignorant of the mentality of the youth though they laid the foundation to us to Trust, Believe and have Faith in the Almighty God. We used to call them "very thring or mawl..".They seems to be always out of tune. I wish to convey my deep anguish for calling them this way. It will be hard to explained to them now that we moved on.

Also, they older generations laid the basic of Tonic solfa and I can see the fruits in our society today. Praise and Worship for the Old generations was to have a purposeful and practicing devout Christian Life . Reading Bible and praying to God. Keeping Trust , Belief and Faith in Him.

Today, we have more musical instruments and resources. We

have more talented musicians. Our Worship Services are more modern and vibrant .We have more resources at our disposal to listen and download wonderful music in the Web. Our bondage as Christian has grown tremendously over the years. Youth has taken over the Church. The time has come and we can see the youth leading the Church .

Today, I write with a contented heart. And, I could play the basic major guitar keys. I feel free as I listen to wonderful and soulful Gospel Rock Music as it has brought me closer to my Savior as never before. I can feel the joy and Happiness of His Love in me. I can feel the pain and suffering of My Lord through music. It brings tears of joy and happiness in my Heart , Soul and Body. He is worthy to be Praise and Worship for all the days of my life.

I only wish that my neighborhood Grungy kid could used his talent to lead our singspiration today.
